Subject : E-content creation by the Faculty Members

Dear colleagues,

You are perhaps well aware that the SWAYAM platform of the Government of India has, over the years, emerged as a key national initiative for expanding access to quality higher education through Massive Open Online Courses (MOOCs). The National Education Policy - 2020 envisages the flexibility of adoption of MOOCs by the students up to 40% of the total courses of the Four Year Under Graduate Programme (FYUGP). The Government of Assam has been very positive towards this direction for the benefit of the learner community. Our university has, however, facilitates its students to pursue one of the Ability Enhancement Courses (AEC), namely Communicative English from SWYAM platform in 2024-25 session. Now, the Hon'ble Governor is keen to see the Faculty Members of the state universities to create e-content in SWAYAM or any other platform.

Further, you are informed that UGC has published an advertisement inviting Expression of Interest (EoI) from the Faculty Members of the Higher Educational Institutions (HEIs) for development of MOOCs on "Introduction of PM Gati Shakti" to be offered on SWAYAM platform. The **last date of submission** of EoI **ONLINE** is **04-01-2026**. The maximum grant allocation for a course having 4 credits will be Rs. 13,50,000/-.

Having stated this, I am directed to request you to avail this opportunity to contribute to the Nation's repository of higher educational e-content by submitting befitting EoI by clicking on the link – <https://swayam.inflibnet.ac.in/>.
