

Office of the Director, Research & Development Cell SIBSAGAR UNIVERSITY

Ref. no. SU/RDC/ANVESHAN/Stud/26/01/975

Date: 26-10-2026

NOTIFICATION

Subject: *Invitation to Students for Participation in AIU ANVESHAN 2026–27
International Student Research Convention*

The Research & Development Cell (RDC), Sibsagar University, invites interested students and research scholars of the University to participate in **ANVESHAN 2026–27**, the International Student Research Convention organized under the aegis of the Association of Indian Universities (AIU). The convention provides a platform for young researchers to showcase innovative research ideas, develop prototypes, and present projects addressing scientific, technological and societal challenges.

Eligible full-time students and research scholars pursuing undergraduate to doctoral programs, below 30 years of age at the time of registration, may participate in the convention, subject to the prescribed guidelines. Projects may be developed under the following research tracks:

- ✚ Agricultural Sciences
- ✚ Basic Sciences
- ✚ Engineering and Technology
- ✚ Health Sciences
- ✚ Social Sciences and Humanities
- ✚ Interdisciplinary Research
- ✚ Artificial Intelligence, Robotics and 3D Printing

Participation may be individual or in a team of up to four members, comprising one lead presenter and up to three contributors, in accordance with the applicable guidelines. The convention follows a three-stage process: **University Level, Zonal Level and International Level**. The zonal conventions for 2026–27 are scheduled from November 2026 to February 2027, followed by the International Convention in February 2027. The East Zone convention is scheduled for **17–18th December 2026**. Exact deadlines and participation requirements shall be followed as notified by the organizers.

Interested students may contact the **DEAN, R&D** or **Director, RDC**, Sibsagar University, at the earliest for guidance regarding project selection, registration, university-level screening and further participation formalities. Students are encouraged to take advantage of this opportunity to strengthen their research aptitude, innovation skills and entrepreneurial outlook.
